PROFESSIONAL SUMMARY

Data Analytics enthusiast with knowledge of Power BI, Python, SQL, and Excel for data analysis and visualization. Experienced in creating interactive dashboards and extracting actionable insights from data. Strong analytical and problem-solving skills with a focus on data-driven decision-making. Eager to contribute to organizational growth through effective data analysis and reporting.

TECHNICAL SKILLS

- **Programming:** Python
- **Data Analysis:** Pandas, NumPy, Exploratory Data Analysis (EDA), Data Cleaning .
- **Visualization:** Power BI, Matplotlib, Seaborn.
- **Database:** MySQL .
- **Tools:** Excel, Postman, GitHub, Jupyter Notebook, Google Colab.
- **Other:** Flask API, NLP.

PROJECTS

❖ Smart Irrigation System Analysis

Technologies: Python, Pandas, NumPy, Power BI, Machine Learning

- Analyzed agricultural and environmental data to optimize irrigation scheduling and water usage.
- Performed data preprocessing, cleaning, and feature engineering to improve model performance.
- Developed interactive Power BI dashboards to monitor soil conditions, crop requirements, and irrigation trends.
- Applied machine learning techniques to predict irrigation needs based on multiple environmental factors.
- Generated data-driven insights to support efficient water management and sustainable farming practices.

❖ Uber Data Analysis

Technologies: Python, Pandas, NumPy, Matplotlib, Seaborn, Power BI.

- Analyzed ride dataset to identify trends in trip demand, peak hours, and ride distribution.
- Performed data cleaning and transformation to improve data quality and usability.
- Created visualizations to analyze ride frequency, distance patterns, and time-based trends.
- Built an interactive Power BI dashboard with KPIs and filters for business insights.
- Provided actionable insights to improve operational efficiency and demand planning.

EDUCATION

Bachelor of Engineering (Electronics and Telecommunication)

Alard College of Engineering and Management, Pune

2023-2027 | SGPA (Sem 5): 8.90

CERTIFICATIONS

- 🔗 Data Analytics Certification – Skill Sprint Tech
- 🔗 Data Analytics Virtual Internship – Deloitte (Forage)
